

## **TUI BLUE Kerkyra Golf hotel**

### **Written Policy Statement for Environment**

Here at TUI BLUE Kerkyra Golf Hotel we commit ourselves to green hotel policies & the implementation of proactive measures to help protect & sustain the environment for future generations.

We recognize the impact of our operations on the environment and aim to be an increasingly efficient green and environmental hotel. We strive to minimize any detrimental effects as a result of our business.

By working along with our guests we can contribute to making a cleaner and safer environment and ensure environmental issues remain a focal point and receive proper attention.

#### **In delivering our commitment we will :**

- Comply with the relevant environmental legislation and take a proactive approach to future requirements and obligations.
- Seek to conserve natural resources through the responsible use of energy, water and materials but also maintaining the quality of service expected by our guests.
- Monitor performance and aim for continued improvement by reducing re-using, and recycling in areas such as energy consumption, reduction of waste materials and water consumption.
- Work with suppliers who have compatible policies for managing their impact on the environment.
- Through our active environmental team, we will ensure that our efforts are continually reviewed, updated and communicated to all staff.

#### **Examples of everyday actions**

##### **a) Recycling of ....**

- Paper, cardboard, glass , plastic, cooking oil, toner cartridges fluorescent tubes.

##### **b) Saving energy by ....**

- Monitoring gas, diesel and electricity consumption on daily/weekly/monthly basis.
- Use of low energy light bulbs.
- Use of motion detectors at designated areas.

- Key fob control system installed in every room to control lighting, heating and/or air-conditioning when room is not in use.
- Re-use towels on guest request.
- Building management systems that control temperature throughout the building.

**c) Reduction of ....**

- Water consumption by ongoing installation of new flush system in toilets.
- Waste packaging by the purchase of bulk food items and cleaning materials.

**Your contribution is important to success (guests' contribution)**

- During daylight, and when in your room, please switch off as many room lights as possible.
- Please switch off all of your room's power sockets that are not in use.
- Re-use your bath and beach towels when possible.
- Turn water on only when necessary; don't forget to turn off water after washing your hands when using any of the public toilets.
- Use the low flush button when possible (Public Area toilets).
- Separate recyclable garbage for our chambermaids to collect (i.e. glass, plastic, paper, metal).
- Throw recyclable litter in the recycling bins.
- Refuse old batteries in the designated container located in the lobby area.
- Reduce volume of garbage before throwing in the bin when possible.
- Our cups & plates at the pool and beach bar are reusable; do not throw them away.
